

Northeast Rehabilitation Hospital at Pease

Portsmouth, NH

Rebuilding lives through hope, compassion
and dedication to excellence

Choose us.

Northeast Rehab's acute rehab hospital located in Portsmouth, NH brings high quality rehabilitation services to the New Hampshire Seacoast and Southern Maine communities. Our state-of-the-art facility offers private rooms, outdoor and indoor mobility park, therapy gardens and sun-filled occupational and physical therapy gyms.

As one of only a handful of organizations who demonstrate a high level of commitment to providing expert stroke and brain injury rehabilitation, Northeast Rehab has achieved the distinction of Specialty Stroke and Brain Injury Certification from both The Joint Commission and Commission on Accreditation of Rehabilitation Facilities (CARF). These certifications are a clear sign that we are dedicated to providing the highest quality of care to our patients with use of only evidence proven therapies.

For those patients who have experienced the loss of a limb, we have been awarded a specialty certification in Amputee Rehabilitation from The Joint Commission.

Designed with patient comfort and recovery in mind.

"It was not just a job for the nurses and therapists; they all really show how much they care about you and your recovery."

- John McCarter,
Patient Danville, NH

State-of-the-art technology and highly trained staff set us apart.

When a disabling injury or illness touches your life or the life of someone for whom you care, recovery becomes of prime concern. Our dynamic, 24 hour rehabilitation experience is powered by our highly qualified professionals. Take a tour and meet our therapists, talk with our certified rehabilitation nurses and dedicated case managers to discover how deeply committed they are to helping patients achieve maximum recovery.

Patients and families will find our hospital filled with amenities, technology and specialty programming to support recovery.

- Licensed as a hospital with 33 private rooms for a quiet and relaxing atmosphere
- On-site physicians 7 days/week
- Certified Rehab Registered Nurses on staff
- Full time therapy staff which specializes in acute rehabilitation
- At least 3 hours per day of rehab therapy
- Independence Way- our indoor mobility park designed to help patients practice the activities of daily living they will face once they leave the hospital
- Therapy gardens and outdoor mobility park to challenge patients with varied terrains and obstacles they will need to navigate when returning home or to the workplace
- Free and ample parking available
- Outpatient Center located on campus offering physical, occupational and speech therapy and an array of specialty clinics
